GREAT IMPROVEMENT IN DENTISTRY.

The attention of the public is called to a great discovery in Dentistry.

THE GREATEST ADVANCE STEP EVER MADE IN THE ART.

The main difficulty in wearing artificial teeth is, they do not hold in their place firmly enough, and add to this the annoyance of food getting under the plate while eating. I have discovered a method of so constructing the plate on which the teeth are set that they will not start or drop while eating or speaking, neither will any particles of food get under the plate, no matter what the condition of the mouth is, which is not true of any method hitherto used.

I have secured Letters Patent for the United States, England and France.

The improvement is not in material, but in the construction, which secures the atmospheric pressure on the entire plate.

I have sold the exclusive of said improvement to Dr. L. Gilman, to wit, the Counties of Franklin, Washington, Clarendon, Lamoille and Grand Isle. Those wishing to avail themselves of such improvement, will call on

Dr. L. GILMAN, ST. ALBANS, VERMONT. N. T. FOLSOM, 191-11. November, 11, 1867.

Claim Agency.

By recent enactments of Congress, all Soldiers who have served three years and have received but \$100 bounty from the United States, or who, having enlisted for three years, were discharged in consequence of wounds, and the widow, children, or parents of any soldier who enlisted for three years, under a promise of only \$100 bounty, and who died in the service, are entitled to an additional bounty of ONE HUNDRED DOLLARS!

All invalid pensioners who have lost a hand or foot, or have incurred disability equivalent to the loss of hand or foot, are entitled to a large increase of pension.

All pensioned widows of soldiers or sailors are entitled to an increased pension of two dollars per month for each child under sixteen years of age.

Claims of the above nature, and for arrears of pay, officers' extra pay, for homes lost in the U. S. service, commutation of rations of prisoners of war and prize money, will be promptly prosecuted by application by letter, enclosing discharge from service, will be attended to and the necessary papers returned to applicant for signatures, &c.

AGENTS WANTED FOR THE OFFICIAL HISTORY OF THE WAR.

Its Causes, Character, Conduct and Results!

By Hon. Alexander H. Stephens.

A Book for all Sections and all Parties.

This great work presents the only complete and impartial analysis of the causes of the War yet published, and gives these interior lights and shadows of the great conflict only known to those high officers who watched the flood-tide of revolution from its fountain springs, and which were so accessible to Mr. Stephens from his position as second officer of the Confederacy.

The public that has been surfeited with apparently similar productions, we promise a change of fare, both agreeable and salutary, and an intellectual treat of the highest order. The Great American War has at last found a historian worthy of its importance, and at whose hands it will receive that moderate, candid and impartial treatment which truth and justice so urgently demand.

The intense desire everywhere manifested to obtain this work, its official character and ready sale, combined with an increased commission, make it the best subscription book ever published.

One Agent in Easton, Pa., reports 72 subscribers in three days.

One in Boston, Mass., 103 subscribers in four days.

One in Memphis, Tenn., 106 subscribers in five days.
